FEATURING PRODUCTS AND DESIGNERS CURATED BY

buyMeDesign.
SPOT & BUY products from emerging talents

Designer products and items are all the craze these days. Although technically every product is crafted by a designer, what sets a designer product apart is the ability to transcend it's own usability and functionality, perhaps even emanate its own character and style. In this special issue, we feature 160+ products from 38 designers and studios. From designer homeware and furnishings to everyday objects, wearable products and items to fashion accessories.

ENRICO ZANOLLA

ENRICO ZANOLLA STUDIO

Italy

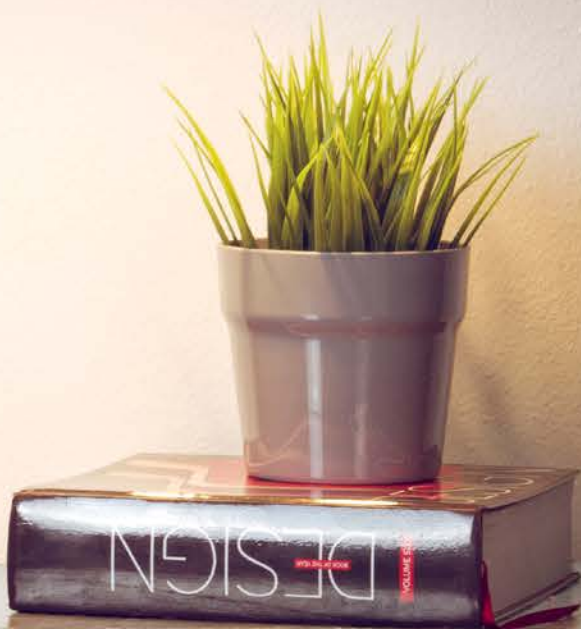

<http://goo.gl/dom369>

Enrico Zanolla studied architecture at one of the most important universities in Europe, the IUAV in Venice, and graduated in 2004. Since then, he has exhibited his projects in architecture, interior design and industrial design across various exhibitions, cultivating originality in each project he undertakes.

His objective is to tackle projects, not only in terms of the aesthetic aspects traditionally associated with design, but by developing the entire creative process; including project conception, technical development, engineering and design.

He also engages in design and consultation for clients around the world, from large-scale projects and global start-ups, to smaller brands, to private residential and commercial projects.

WITH SENSORIAL GLORIFICATION AND STYLE

NOJAR SUSPENDED LAMP

contact info@buymedesign.com for more details

Crafted from solid oak and suspended from a coloured textile cable, these pendant lamps radiate the kind of spatial balance that flows organically into the space. The Nojar's rounded form is the answer to a lot of things-and one that always hits the mark.

MATERIAL: Solid Oak
DIMENSION: Available in 3 different shapes = Ø15cm * H18cm * 200cm cable drop including plastic ceiling rose
COLOUR: Suspended textile cable available in different colours: Black, White, Cyan, Pink, Violet, and Yellow

BOTEGA HANGING LAMP

contact info@buymedesign.com for more details

Ceramic lamps designed in honor of the timeless shapes of industrial metal lamps, with an metallic interior connecting the lamp with the industrial past to which Botega is inspired directly. Surprise effects of circles with different light intensity and colours are created, due to the way light bounces and reflects from the metallic interior.

MATERIAL: Ceramic, Metallic interior, Fabric cord, Plastic canopy
DIMENSION: Ø30cm * H20cm
 180cm cable drop
COLOUR: Available in black or white ceramic exterior, with an interior in a traditional ceramic white finish, or in a gold or copper metallic finish.

← **CLAMP**
Suspended Lamp

📧 contact info@buymedesign.com for more details

Inspiration for this suspension lamp comes from the pattern of a Chesterfield sofa, applied then on the exterior surface of the lamp. The contrast between the smooth interior and the sophisticated and deep-buttoned exterior is ideal for a modern interior space with a touch of glamour and classic style.

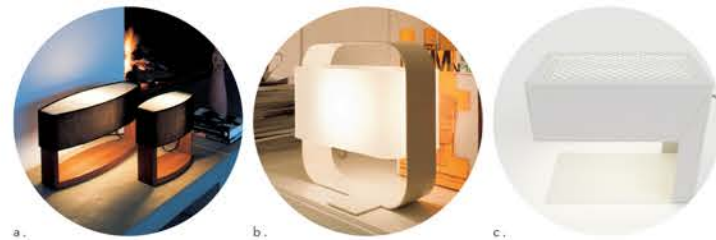

✓ **PLERA**
Suspended Lamp

🌐 <http://www.buymedesign.com/plera-lamp/>

A small suspended lamp crafted from two contrasting materials, with the soft and warm feeling of solid curved beech wood in contrast with the cold touch of ceramic. A classic lamp with the perfect expression of simplicity.

MATERIAL: Italian ceramic, curved solid beech wood
DIMENSION: Ø22cm * H20cm * 180cm cable drop
COLOUR: Matte Black, White, Green, Orange, Grey

ALSO DESIGNED BY ENRICO ZANOLLA:

(a) **NORMA**

Table lamp with fabric lampshade, opal glass diffuser and wooden frame.
Company: Calligaris

(b) **URSA**

Table lamp with metal frame in the same colour as the methacrylate diffuser.
Company: Calligaris

(c) **QUBIK**

Table lamp with structure folded by a simple metal sheet cut by laser.
Company: Miniforms

➤ **RUSKI AND**
RUSKI TWIST

📧 contact info@buymedesign.com for more details

Suspended ceramic lamps paying tribute to the beauty and uniqueness of the St. Basil cathedral in Moscow. These lamps are "designed like candle flames symbolizing that every man is 'the light of the world'... characterized by dynamic shapes, reflecting the movement of a candle and at the same time containing the modular constructive system used in the original domes."

DIMENSION: 2 sizes, Ø37,5cm or Ø18cm
COLOUR: Glazed in Black or White, or in Silver or Gold Metallic
COMPANY: VISO, Canada

(d) **SLYBOX**

A wood finishing bookcase you can hide away personal objects behind the front panel.
Company: Venier

(f) **FOLDER**

buymedesign.com/folder-holder/

Magazine holder inspired by the well-known computer icon. Laser cutted and folded metal sheet construction.

(e) **STONES**

Inspired by the shape of stones and pebbles. Available in different colour leather.
Company: Venier

(g) **PRISMA**

Standing mirror made of wood panels with a wide bottom level for placing vases or decorative items.

Design: Andrea Di Filippo / Enrico Zanolla
Company: Venier
